€0.29	€1.07	€0.20	€0.03	€0.25

**IMPORTANT!**

It is strongly advisable that upon returning to the government-controlled areas, customers **deactivate the service**. This will ensure that you will not accidentally stay connected to a network other than the **GoMo** network and thus incur unnecessary charges.

- All charges are rounded to the next nearest digit.
- All tariffs are including VAT.
